SUMMARY

Aspiring **Data Scientist** with a **B.Tech in Computer Science and Engineering (Data Science)** and practical experience in **machine learning, full-stack development, and AI application development**. Proficient in **Python, Java, SQL, MySQL, HTML, CSS, and JavaScript**, with a solid understanding of core computer science concepts including **Data Structures, DBMS, OOP, and Operating Systems**. Built innovative projects such as **AgriVerse, StyleSync (Virtual Trial Room)**, and a **Multilingual AI Assistant**, demonstrating analytical thinking and a passion for solving real-world problems through technology.

EDUCATION

Geethanjali College of Engineering and Technology CGPA-6.64	2024 - 2028
Bachelor of Technology Computer Science and Technology(data science)	
Sri chaitanya junior college 91.7%	2022 - 2024
Intermediate MPC	

PROFESSIONAL EXPERIENCE

FULL STACK WEB DEVELOPMENT intern Internvision	May 2026 - Jul 2026
- Gained hands-on experience in full-stack web development during a two-month internship at InternVision. - Designed, developed, and maintained web applications using HTML, CSS, and JavaScript for user interfaces. - Strengthened understanding of Data Structures, OOP, DBMS, and SQL by applying these concepts to real-world tasks.	
MACHINE LEARNING intern Cognifyz IT solutions	Jun 2026 - Jul 2026
- Developed and implemented machine learning solutions by working on real-world datasets and predictive tasks. - Performed data collection and preprocessing to identify trends, handle missing values, and prepare data for modeling. - Built, trained, and evaluated machine learning models for classification and regression using Python libraries.
Gained hands-on exposure to industry-standard machine learning practices and developed data-driven solutions.	

TECHNICAL SKILLS

Languages: Python, Java, SQL, HTML5, CSS3, JavaScript
Frameworks: React.js, Node.js, FastAPI, TensorFlow, PyTorch, Pandas, NumPy
Developer Tools: Git, GitHub, Visual Studio Code, Jupyter Notebook, Google Colab, MySQL Workbench, Eclipse IDE, MongoDB Compass
Soft Skills: Problem Solving, Analytical Thinking, Communication, Teamwork, Leadership, Adaptability, Time Management, Critical Thinking

KEY PROJECTS

Agri Verse React,Node.js, MongoDB, Python
<i>Machine Learning, Blockchain</i> - Developed Palletooru Smart Farmer Assistant, a Blockchain and AI-powered AgriTech platform. - Implemented Blockchain verification, AI advisory, and ML-based crop disease detection. - Integrated weather insights, QR crop verification, and agricultural analytics
StyleSync Python ,TensorFlow / PyTorchHTML5, CSS3, JavaScript, MySQL
<i>Artificial Intelligence and Machine Learning</i> - Developed an intelligent fashion recommendation system using AI and computer vision to enhance user engagement. - Analyzed uploaded face and body images to identify skin tone and body shape for personalized clothing suggestions. - Implemented a Virtual Try-On feature that allows users to preview outfits, boosting confidence before purchases.
Multilingual AI assistant Python, FastAPI, React.js,Google Translate API
<i>Artificial Intelligence & Machine Learning</i> - Developed a Multilingual AI Assistant using NLP and Large Language Models (LLMs) for intelligent multilingual conversations. - Implemented Speech-to-Text (STT), Text-to-Speech (TTS), and Real-Time Translation for seamless communication. - Integrated AI APIs, Conversational AI, and Personalized Assistance to deliver accurate responses across multiple languages.

CERTIFICATIONS

Introduction to DataScience Infosys and Springboard	May 2026
Artificial Intelligence Fundamentals IBM	Feb 2026
Oracle Cloud Infrastructure 2025 AI Foundations Associate Oracle university	Oct 2025
Introduction to Generative AI IBM SkillsBuild	Feb 2026
Python Essentials 1 Cisco Networking Academy and Python Institute	Mar 2026

ACHIEVEMENTS

First prize in LOGIC QUEST IETE and ISF	Aug 2025
- Achieved 1st place in the Logic Quest competition by IETE & ISF Club, showcasing logical reasoning skills. - Exhibited critical thinking and analytical aptitude during the competition, gaining recognition from faculty.	

EXTRA CURRICULAR

Member at outreach and collab and Volunteer | NSS unit
